**The second newsletter of the CAMRAS project is out!**

Welcome to CAMRAS project's second newsletter! As the CAMRAS team, we are excited to introduce you to our journey towards project activities and results created by the CAMRAS project partners.

## ***Project Result-2 Learning Material***

The new agricultural learning materials will be available for migrants and refugees (M/Rs) who are interested in farming and agricultural practices. The comprehensive learning materials are created and designed to equip them with the essential knowledge and skills to succeed in sustainable agriculture. The learning materials will be multilingual (in English, Arabic and all partner countries' languages) to be accessible for local farmers and M/Rs as well as stakeholders and trainers involved in the agricultural sector.

Our learning materials cover a wide range of topics:

- Agriculture and Life
- Crop Production
- Animal Breeding
- Innovations in Agricultural Production
- Sustainable Agriculture
- Worker skills and Labour Issues
- Problems of the Agricultural Sector

Whether you are new to farming or seek to enhance your knowledge and skills, our materials offer practical insights and expert advice to support your agricultural journey.

## *Project Result-3 Learning Platform*

### **Discover the E-Learning Platform**

We are eager to announce the upcoming launch of our new E-Learning Platform dedicated to enhancing M/Rs' agricultural knowledge and skills. The CAMRAS e-learning platform, which offers interactive training, guidance and support to M/Rs is currently piloted in a demo version. This innovative platform has been designed to provide M/Rs with convenient access to a wealth of resources, including interactive courses, tools to share experiences with agriculture experts, and practical learning sessions to introduce them into modern and sustainable agriculture techniques.

Participants will join the online courses to achieve the goals of the program and enhance their agricultural knowledge and capacity as well as to find better working conditions

For more information on learning materials, please visit our platform <https://elearning.camras.eu/> or contact us on web site <https://camras.eu/>
